

# X2 Lite Aluminium Wheelchair

The **Aktiv X2, Lite** is a lightweight durable wheelchair for occasional use with a strong, crash tested frame including a five year warranty. Flip back, removable armrests with comfortable PU armrest pads are supplied as standard. The backrest, legrest and rear wheels all have quick release mechanisms for easy transportation and storage.

It has a dual axle which allows for easy conversion between self-propel and transit wheels. Push button safety belt and stepper bar are supplied as standard.

**Max User Weight:**  
113kg/17.75st.

Unwin Safety Systems have been used on all of our crash tested chairs.
